## SECTION 4

What our students and alumni say...

content

Name:

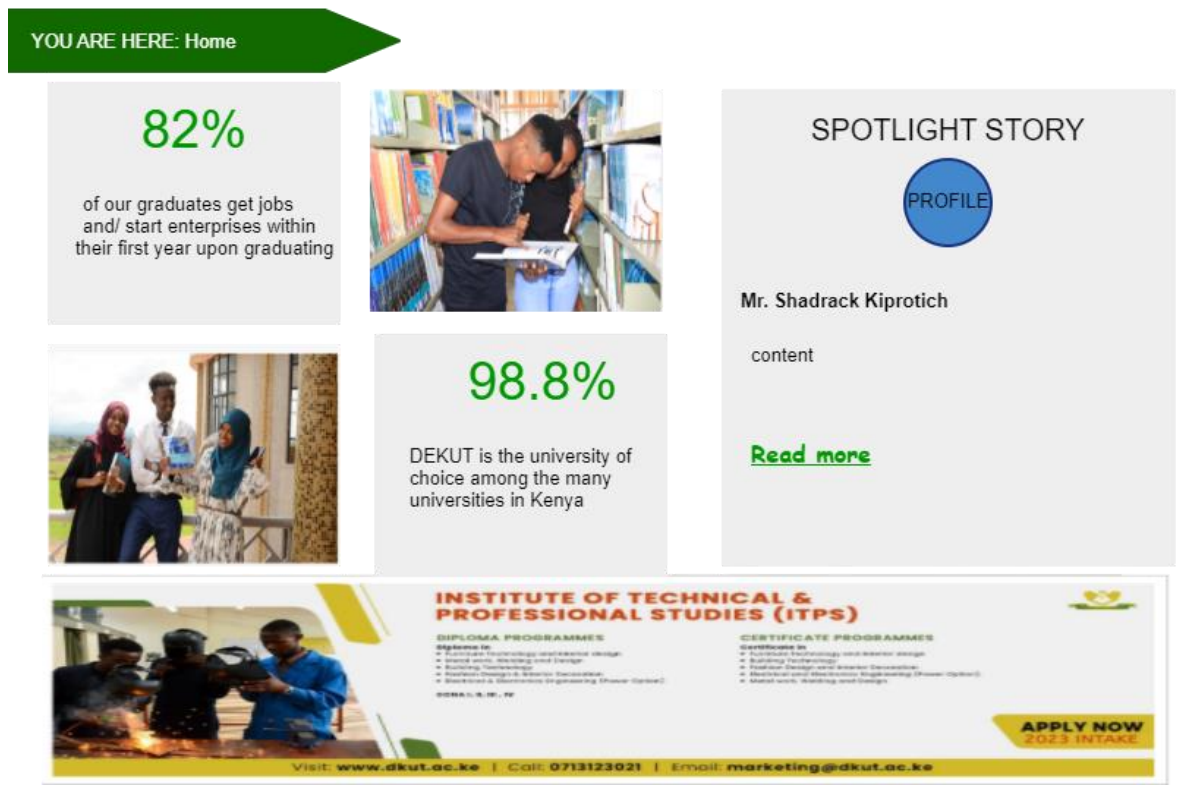

profiles

---

We designed the student testimonial section:

- i. Boxes, with one box with updated content
- ii. Bullets representing student profiles
- iii. And a featured student's picture

## SECTION 5

This section includes featured university ads and about sections.

It has been designed using panes labels, boxes, and a flowchart decision diagram. The spotlight story section is created with a pane and bullet hyperlink with updated content.

This section also features some student-featured photos.

## SECTION 6

This is the footer section. It has been created using labels and groups of plain text for, contacts and resources sections. This is similar to the newsletters section, which includes a text field and a subscribe button. Moreover, a featured tweets object.

The final section is a footnote section with various objects.
